**Comments:**

Confirming our telephone conversation earlier today, the patent number given for Mankovitz et al. is wrong at paragraphs 4 and 9 of the Office action mailed on 27 February 2007. The correct patent number is US005523794A.

The patent was cited correctly in the Form PTO-892 included with the Office action.

I apologize for the confusion caused by this error.
